Guide to the Student Route application form overseas – November 2024

Tip: This guide does not cover the Student rules - only FAQs on the application form. You should also ensure you read our guide to preparing your documentation. You should only submit your online application once you have prepared all documents required to meet the requirements. If you only refer to this guide, you risk being refused your visa.

The information you provide within the online application form must be accurate. You may need to refer to other documentation such as previous passports, visas and medical records in order to complete the application form.

Completing the online Student application form overseas

EU / EEA students may be eligible to use the UK Immigration: ID Check app to complete biometrics rather than having to attend a visa application centre. If you are able to use the UK Immigration: ID check app, please refer to the following guide here: [ID Check App Guide](#)

Go to this webpage: <https://www.gov.uk/student-visa/apply> - You should now see the following screen: select 'Start now'

Apply

You must apply online for a Student visa.

Check which [documents you'll need to apply](#).

Apply outside the UK

As part of your application, you'll need to prove your identity. How you do this depends on where you're from and what type of passport you have.

You'll either:

- give your fingerprints and a photograph (biometric information) at a [visa application centre](#)
- use the 'UK Immigration: ID Check' app to scan your identity document - you'll also create or sign into your UK Visas and Immigration (UKVI) account

You'll be told what you need to do when you apply.

Once you've started your application, you can save your form and complete it later.

Start now > 

You'll see this screen next: select **'England, Scotland, Wales or Northern Ireland'** as where you will be living

Where are you planning to live?

England, Scotland, Wales or Northern Ireland

Jersey, Guernsey or the Isle of Man

Continue

You will then see this screen: select **'No'** if you don't have an EU/EEA or Swiss passport and **'Yes'** if you do. If you select **'Yes'** you will be taken to a page with more information about the **'UK Immigration: ID Check'** app. For the purposes of this guide, we have gone through the form as if **'No'** has been selected.

Do you have a current EU, EEA or Swiss passport?

The EEA includes the EU countries and Iceland, Liechtenstein and Norway

Yes No

Continue

Once you have selected **'No'** you will be asked to select the country where you wish to attend the visa application centre to give your biometrics

Select a country to provide your biometrics

To complete your application, you must provide your biometrics (fingerprints and facial photograph). This may involve attending a visa application centre (VAC) operated by one of our commercial partners.

We need to know which commercial partner will manage your biometrics appointment. This is so we can transfer you to the correct website after you have submitted your visa application.

Enter the country where you would like to provide your biometrics. This will usually be the country you are in now. If there is no VAC in your selected country, you will be able to choose an alternative location.

If you believe you are unable to provide your biometrics at any location, you should still choose a location. You will then be told how to proceed.

Next

Start typing the name of the country where you will be applying from. You can only apply in the country where you usually live or in your country of nationality. You can't apply for a Student visa if you are in another country as a visitor (e.g. if you are on holiday).

As you begin typing, suggestions will appear and you can click on your country. Once you have selected your country, click **'Next'**.

The next screen asks you to confirm that you know which Visa Application Centre you'll be attending in the country you've selected. It's important that you know where you wish to attend an appointment before you complete the visa application form.

On this screen you will need to confirm that you **'I have identified the location where I will provide my biometrics (or I am unable to provide my biometrics at any location)'** or that you **'want to choose a different location'**

If you choose the second option, you'll be directed back to the previous screen and will need to choose a different country.

If you have been to any of these countries, you'll be required to provide more information about the country, purpose of the visit, date of travel and duration on the next page.

You will need to provide details of your two most recent visits.

If you are a national of these countries you do not need to declare your visits there as you are living there (unless you are a dual national and it is not your main country of residence).

World travel history

Have you been to any other countries in the past 10 years?

The earliest you can travel to the UK is 30 days before the course start date on the CAS or seven days before your intended date of travel whichever is later, if you are studying a course of more than 6 months or a Language Centre pre-sessional course. You can enter any date within the month before your course start date. Your temporary visa sticker validity will be based on your intended date of travel; it will be valid for 90 days either from a month before the course start date or from 7 days before the intended date of travel you give in the application form.

If your course duration on the CAS is less than 6 months, you will only be able to come to the UK from 7 days before the course start date on the CAS.

Immigration history

For either the UK or any other country, have you ever been:

- Refused a visa
- Refused entry at the border
- Refused permission to stay or remain
- Refused asylum
- Deported
- Removed
- Required to leave
- Excluded or banned from entry

If you have never faced any immigration problems then please select '**No**'

If you have faced any of these issues please select '**Yes**'. You will be required to provide more details on the next screen.

You must declare if you have had any immigration issues for the UK or any other country in the world. This may not affect your visa application for the UK, but this will depend upon the issue you faced e.g. illegal working may mean that the UKVI will think you will risk working whilst in the UK. However, you must be honest with your answers as the UKVI can check this.

When the question asks if you were required to leave, this means that you have been formally required to leave a country by the country's authorities. It does not mean just if you left because your visit/visa has ended.

If you have ever had a UK visa that has been curtailed (shortened) due to a change in your circumstances, you do not need to answer 'Yes' to this question, but you could include further details of the curtailment in the 'Additional Information' section of the application form.

Once you have given details of the immigration problem you faced, you will be asked whether you have faced any other immigration problems. If you have not, select 'No'.

If you have faced more than one issue, select 'Yes' and complete the information again. Please ensure that you do complete this section accurately. Failure to declare immigration issues can impact your visa application, particularly if you fail to declare a previous visa refusal. Failure to declare a refusal can lead to a ban on immigration applications to the UK.

Breach of UK immigration law

Have you ever:

- entered the UK illegally
- remained in the UK beyond the validity of your visa or permission to stay
- breached the conditions of your leave, for example, worked without permission or received public funds when you did not have permission
- given false information when applying for a visa, leave to enter, or leave to remain

Only select one answer at a time. If you need to give more than one answer, you can do so on another page.

- A criminal conviction
- A penalty for a driving offence, for example disqualification for speeding or no motor insurance
- An arrest or charge for which you are currently on, or awaiting trial
- A caution, warning, reprimand or other out-of-court penalty
- A civil court judgment against you, for example for non payment of debt, bankruptcy proceedings or anti-social behaviour
- A civil penalty issued under UK immigration law
- No, I have never had any of these

On the pages following this, you will be asked whether you have ever been involved in the following:

- War Crimes
- Involved with Terrorist activities or organisations
- Held terrorist views
- Extremist Organisation
- Expressed Extremist views

You should read all of the guidance on each screen and will need to click in the box to confirm that you have read this.

Your parents, family members, family businesses and friends are not official financial sponsors nor are US Federal loans. If you or your parents or an organisation which does not fit the definition of an official financial sponsor will be funding your studies, you should select **'No'**

If you will receive money towards your living costs or tuition fees from an official financial sponsor, you should click **'Yes'** and then complete this drop-down box.

If you are being wholly sponsored by an official financial sponsor how will you prove this?

- My Student sponsor has confirmed this information on my CAS
- Letter of official financial sponsorship
- I am not being wholly sponsored

You should select the option which best fits your circumstances and then click **'Save and Continue'**

Wholly sponsored means that all living costs and tuition fees for your studies are paid by an official financial sponsor.

If you will receive a full scholarship from LSE, it should be shown on your CAS. The living cost funding is likely to be shown as an overpayment of tuition fees, which can be used as proof of your funding from LSE.

Other non-LSE scholarships are unlikely to be shown on the CAS therefore you will require an official letter confirming your scholarship and the amount of funding you will receive. This letter will need to meet the requirements outlined in [Student Route caseworker guidance](#) guidance.

If your scholarship does not cover all the tuition fees and living costs required, choose **'I am not being wholly sponsored'**. If you select this option, you will be required to show that you have sufficient funds to cover the remaining living costs and tuition fees which are not paid by an official financial sponsor.

Check your CAS, the amount of course fees you enter here should match the course fee on your CAS. This is the total amount of fees for the first year of your course (even if your course is more than 1 year long, you just need to provide information about the first year course fees).

It is fine if you have not yet paid any fees, you will just need to show that you have sufficient funds to cover the unpaid tuition fees and your living costs.

Tip: We are often asked if paying fees makes the application look stronger. You do not need to pay fees if you are able to evidence you have the money in an account that meets the requirements. [Read our guidance to check this.](#)

If you submit your application before your CAS has been updated and declare these fees on the form, you will not meet the Student visa requirements.

You cannot answer 'Yes' if you only have a bank receipt or a Western Union receipt. Tuition fee payments can only be claimed here if they are shown on the CAS or if you have an official receipt from LSE Fees.
